Year 4 Spring Living in the wider world - Belonging to a Community

Vocabulary

community

A group of people living or working together.

- Communities help each other. By working together they can solve problems that are too big for one person.
- We might **belong** to lots of different communities. This might be our family, school, or your town or city.
- Your family is your community because you usually live together.
- Friends are your community. You share your ideas and probably go to the same school.
