Friday 19th September 2025

Dear Parents and Carers,

Re: Road Safety, Driving and Parking Around School Premises

We hope this letter finds you well. As part of our ongoing commitment to the safety and wellbeing of our pupils, staff, and families, we are writing to remind everyone of the importance of safe and considerate driving and parking around our school sites.

We have received reports and concerns from members of our school community regarding potentially unsafe practices during drop-off and pick-up times. We understand that school drop-off and pick-up times can be busy and stressful, but we must all work together to ensure that our school environment remains safe for everyone.

As always, the safety of our pupils, families, and staff is our highest priority. We kindly ask for your continued support in helping us maintain a safe environment by:

-  **Driving slowly and carefully** near the school and the zebra crossing, especially during busy times.
-  **Avoiding parking on pavements**, zig-zag lines, or in front of driveways.
-  **Using designated parking areas** wherever possible.
-  **Keeping access clear** for emergency vehicles and avoiding obstruction of traffic.
-  **Considering walking, cycling, or scooting** to school when possible.

Thank you for your cooperation and for helping us promote a safe and respectful school environment. If you have any questions or further concerns, please don't hesitate to contact the school office.

Warm regards,

Mrs Scott

Mrs Jordan

(Executive Head Teacher) (Head of Schools)
